Board Discussion: Bragg wanted to let the Board know that there was a ZBA meeting on December 15th for a variance request to put a barn up approximately 50' from the center of the road to house 40 cows; the current ordinance requires that the setback be 100' from the center of the road. The property is located on the corner of Cat Lake Road and Snover Road. The ZBA voted unanimously not to approve the variance because there was not enough evidence to show unnecessary hardship that wasn't caused by the property owner.
