PUBLIC COMMENTS:

A Resident stated that he has only noticed a portion of Snover Road that seemed to be mowed correctly, the rest of the roads look like they have only been mowed about two feet. H. Wymore stated that he would check into it. Another Resident asked how far they were supposed to be mowing and H. Wymore stated that they are supposed to do 4-5'.

SUPERVISOR REPORT:

Cemetery Report – Sold one lot at North Grove and also had two burials this month.

Road Report – Road Commission started brush spraying yesterday. H. Wymore wondered if the Board members had a chance to look at the dead trees on Blackmore Road between Leix and Chambers. He stated that he had a bid from Kappen for around \$6,500 to cut down the dead trees on the south side. It was mentioned that there are also a lot of dead trees on the north side of the road. It was mentioned that maybe we should wait to get bids next year to do the whole section.

NEW BUSINESS:

Tire Collection was yesterday and this is the first year that we did not fill the trailer. Hopefully that means that we have gotten most of the tires out of the township. H. Wymore also read a letter received from a Resident saying well done and thanking the Board for arranging the trash collection. It was also stated that the new outside light has been installed at the driveway of the Township Hall.
