Planning Commission Meeting was called to order at 7:00 p.m. by Bragg.

Approve Minutes: Motion made by Blatt, seconded by Curell to approve the April 5, 2016, meeting minutes - motion carried.

Public Comments:

Henry Wymore mentioned about the Planning Commission seminar on August 10th and stated that if anyone wants to attend to let the Clerk know and she will get them signed up.

New Business:

Bragg stated that at the last township board meeting some residents have raised concern about medical marijuana growers in the area and they think the Planning Commission should be able to put some regulations in place. Bragg stated that he has done some research online and some townships require them to have licenses and it to be grown in a domicile but not take up more than 25% of the floor space. It was mentioned that Senator Mike Green will be at the July 14th township board meeting and will hopefully have more information as to what the township can regulate. Bragg also mentioned the seminar on August 10th will also discuss the medical marijuana. Laskowski mentioned that since it is legalized by the state, there is probably not much that we can do. The Board discussed this issue for quite a while but decided that we will wait and see what Senator Green has to say and also what is mentioned at the seminar.

Next Meeting: Next Planning Commission meeting will be on October 4, 2016, at 7:00 p.m.

Meeting adjourned at 7:53 p.m.

Respectfully submitted by

Amy L. Holbrook, Secretary
